

OCTOBER 2010

PRESIDENT'S MESSAGE:

Our first event of the season was a great success with 45 guests attending to hear **Jacquie Proctor**, author talking about her newly published book "*Bay Area Beauty: The Artistry of Harold G. Stoner, Architect*". The book covers many homes in Forest Hill and many owners of such homes attended the talk. Many thanks to **Dottie McHugh** for bringing Jacquie to the Garden Club. **Anna Bolechowski** was hostess again this year for our annual chicken salad luncheon. We thank her committee who set up on Sunday and worked around the leak and various plumbing problems. A special thank to **Michael Bolechowski** who roasted the delicious chicken for our luncheon. Beautiful flowers were done by **Darlene Hartman, Nancy Hagosian, Eva Monroe, Helen Scholten, Anna Cristoforo** and **Dottie McHugh**. Many of the arrangements used our neighborhood flower, the fuchsia as well as lovely ferns and hydrangeas from our gardens.
