

DECEMBER 2010

PRESIDENT'S MESSAGE:

Thanksgiving is just around the corner and we are heading into the hectic rush of the holidays. I hope you and your families will take the time to enjoy the festive season.

This year's bookfest was a great success. More than thirty members came to hear our speakers, **Neal Sofman** and **Anna Bullard**, share their knowledge and enthusiasm about their literary selections. Members who purchased books that day received a 20% discount. Thanks to **Anna Cristoforo** who did the beautiful fall flower display for the event.

We are grateful to the many thoughtful Forest Hill residents who managed to fill five large barrels with food donations for San Francisco Food Bank. Thanks to **Ellie Barry** and **Tony Buckley** who have graciously organized the Food Drive for many years.

Events

Friday, December 3rd
